

# Webmaster Report

## General

- Great response on recent polls.
- Trivia responses are higher
  - Perhaps shows we are getting more traffic on the site.

## Swimmer's Information

- Working to better incorporate info for swimmers onto the front page.
- Need to work with Active as the titles/design are part of the template.
- Will include the following:
  - Nutrition Tips
  - 4A times
  - College decisions
  - Time standard links etc...
- Need to get everything set and make change all at once.

## Pictures

- Going well – Kyle set us up with numerous excellent pictures for the front page.
- Working on setting up gallery pages for random pictures from swimmers etc...

## Goals

- Including videos and articles for both coaches and swimmers
- Updating the nutrition pages, including regular tips or meals
- Getting the swimmer info section up and running
- Continuing with regular changing of front page pictures

Thoughts or Suggestions for website???
