SAFETY

The 2018 USA Swimming & MSI warm-up and safety guidelines shall be in effect for the meet. Those guidelines may be accessed through the MSI website (mdswim.org). Coaches are advised to closely supervise their swimmers at all times. NO running or horseplay will be tolerated. Upon approval, by the facility, swimmers are allowed to use only personal kickboards, pull buoys and snorkels in the non-competition warm-up areas. No other equipment will be allowed.

HEALTH GUIDELINES

All meets in the Maryland Swimming LSC are guided by the Maryland Department of Health and Mental Hygiene as posted on the Maryland Swimming Website. This not only applies to Viral Gastroenteritis but other infectious diseases as well. The Meet Staff has the authority to inform and protect coaches and swimmers from a potential outbreak of illness. Any participants or spectators who exhibited symptoms of illness within 24 hours prior and/or during the event are encouraged to withdraw from the competition and/or leave the venue as a safety precaution.

RACING STARTS

Any swimmer entered in the meet, unaccompanied by an USA Swimming member coach, must be certified by an USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

RULES

This meet will be conducted in accordance with the current USA Swimming Rules and Regulations, except where rules therein are optional and exceptions are stated. Maryland LSC Rules shall also apply.

No one will be allowed on deck unless they are registered with USA Swimming as an athlete, coach or official and/or those who are part of the timing and administrative staff assisting with the conduct of the meet.

Swimmers entering the meet must be registered with MSI by the entry deadline date. Per MSI rules, any club that enters an unregistered athlete will be fined \$100.00 per unregistered athlete. No deck registrations will be permitted.

Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete / coach areas, spectator areas and open ceiling locker rooms) anytime athletes, coaches, officials and/or spectators are present. (USA Swimming Rule 103.13/M/Drones)

Use of audio or visual recording devices, including a cell phone, is not permitted behind the starting blocks or in changing areas, rest rooms or locker rooms.

Videotaping or picture taking, on deck by meet volunteers will not be permitted. Volunteers wishing to tape or photograph their swimmer shall do so from the spectator stands. Any person(s) violating this rule will be subject to discipline by the Meet Director and/or Meet Referee up to and including removal from the venue for the remainder of the meet.

EXCEPTION: The Certified meet photographer and anyone else specifically given pre-authorization by the Meet Director or Meet Referee.

The practice of Deck Changing is prohibited. Swimmer must use locker rooms to change into and out of their swimsuits. Swimmers participating in deck changing will be in violation of the USA Swimming Code of Conduct/Sportsmanship Policy and could be subject to removal from further competition in the meet.

ELIGIBILITY

Open to ALL 2018 USA Swimming Inc. / Maryland Swimming Inc. registered swimmers of the Maryland Swimming LSC Teams and unattached Maryland LSC registered swimmers ONLY who meet the listed qualifying times. The meet is closed to ALL outside the LSC teams and swimmers.

Swimmers must be registered prior to entry deadline. Per MSI rules any club that enters an unregistered athlete will be fined \$100.00 per unregistered athlete. There will be no on deck registration available at this meet. A swimmer's age on the first day of the meet will determine their age for the entire meet.

Age as of March 1, 2018 shall apply for the entire meet.

Swimmers must be equal to or faster than the Qualifying Times for the meet. The qualifying times must have been achieved, in a short course yard pool, between March 2, 2017 and the entry deadline for this meet (February 14, 2018). No times achieved outside of this time period may be used to qualify for this meet. The qualifying times must have been achieved in a short course yard pool. Converted times will not be accepted. Qualifying times must have been achieved in a USA Swimming sanctioned/approved/observed meet.

Relay Eligibility: The qualifying times may either be met by an actual relay time within the qualifying period or by aggregate time. If the time is entered using an actual time swum in a sanctioned meet, the swimmers actually swimming the event in the meet do not have to be the same swimmers used to make the qualifying time (the time belongs to the team in this case). Times used to prove aggregate times must be times from swimmers who are eligible for the meet in the age group whose relay time is being proved by aggregate times. Swimmers who actually swim the relay in the meet do not have to be the same. Relay times are associated with the club not the actual swimmers.

Qualifying times exception 1: If a swimmer qualifies for either the 1000 Free or the 1650 Free they may enter the other (1000 Free or 1650 Free) event if they have not achieved the qualifying time for the event within the qualifying period. The time entered for that event, if the qualifying time was not achieved within the qualifying period, should be at the qualifying time. The swimmer must qualify in one of the two events but may elect to swim only one of the events .

Qualifying time's exception 2: Swimmers that have achieved a USA Swimming National Qualifying Time (Winter Qualifying Times) may enter any events they have not swum within the qualifying period assuming they have met the qualifying time outside of the qualifying period.

SWIMMERS WITH DISABILITIES

Maryland Swimming Inc. welcomes all swimmers with disabilities as described in the USA Swimming Rules and Regulations, Article 105, to participate in our meets. Coaches entering swimmers with disabilities that require any accommodations are required to provide advance notice in writing to the Meet Director and Meet Referee by the entry deadline accompanying their meet entry file, including the need for any personal assistants required and/or registered service animals. Failure to provide advance notice may limit Maryland Swimming's ability to accommodate all requests.
