## ELIGIBILITY

Open to ALL 2020 USA Swimming Inc. / Maryland Swimming Inc. registered swimmers of the Maryland Swimming LSC Teams and unattached Maryland LSC registered swimmers ONLY who meet the listed qualifying times. The meet is closed to ALL outside the LSC teams and swimmers.

Swimmers entering the meet must be registered with MDSI and USA Swimming by the meet entry deadline, except for unattached swimmers who must have been a member of MDSI for 6 months prior to the meet entry deadline.

A swimmer's age on **Thursday, February 20, 2020** will determine their age for the entire meet

Swimmers must be equal to or faster than the Qualifying Times for the meet. Qualifying times must have been achieved in a USA Swimming sanctioned, approved, or observed meet, between **February 22, 2018** and the entry deadline for this meet (**February 10, 2020**). No times achieved outside of this time period may be used to qualify for this meet. Qualifying times must have been achieved in a short course yard

pool. Converted times will not be accepted.

**Relay Eligibility:** The qualifying times may either be met by an actual relay time within the qualifying period or by aggregate time. If the time is entered using an actual time swum in a sanctioned meet, the swimmers actually swimming the event in the meet do not have to be the same swimmers. Times used to prove aggregate times must be times from swimmers who are eligible for the meet in the age group whose relay time is being proved by aggregate times. Swimmers who actually swim the relay in the meet do not have to be the same. Relay times are associated with the club not the actual swimmers.

**Qualifying times exception 1:** If a swimmer qualifies for either the 1000 Free or the 1650 Free they may enter the other (1000 Free or 1650 Free) event if they have not achieved the qualifying time for the event within the qualifying period. The time entered for that event should be at the qualifying time if never swum or a verifiable time outside of the qualifying period if swum before. The swimmer must qualify in one of the two events but may elect to swim only one of the events.

**Qualifying time's exception 2:** Swimmers that have achieved USA Swimming National Qualifying Times may enter any events they have not swum within the qualifying period assuming they have met the qualifying time.

#### **SWIMMERS WITH DISABILITIES**

Maryland Swimming Inc. welcomes all swimmers with disabilities as described in the USA Swimming Rules and Regulations, Article 105, to participate in our meets. Coaches entering swimmers with disabilities that require any accommodations are required to provide advance notice in writing to the Meet Entry Director by the entry deadline accompanying their meet entry file, including the need for any personal assistants required and/or registered service animals. Failure to provide advance notice may limit the ability to accommodate all requests.

#### **HEALTH GUIDELINES**

All meets in the Maryland Swimming LSC are guided by the Maryland Department of Health and Mental Hygiene. This not only applies to Viral Gastroenteritis but other infectious diseases as well.

The Meet Referee has the authority to inform and protect coaches, spectators, volunteers and swimmers from a potential outbreak of illness. At the discretion of the Meet Referee, anyone who exhibits symptoms of illness may be asked to withdraw from the competition for a 24 hour period. Swimmers will need to be cleared by the Meet Referee in order to return to competition.

#### **ENTRIES**

ALL entries should be submitted via email (Hy-Tek entry file) along with a file containing a Microsoft word or PDF document of the entries (Please check the proof of times option).

**PROOF OF TIMES:** Times will be proven through the SWIMS database. Coaches should be prepared to submit proof of times (in addition to the proof of times – entry report required with entries) upon request by the Meet Entry Director or Meet Referee for those times rejected by the SWIMS database. Failure to prove a time will result in the swimmer being scratched from that event. Any swimmer entered with a falsified or non-provable time will be subject to a \$100.00 fine per occurrence.

#### **ENTRY LIMITATIONS**

All Swimmers are limited to 9 Individual Events and 5 Relays for the meet not to exceed 3 Individual Events on any day or 2 relay events on Thursday and 1 relay event on Friday, Saturday & Sunday.

Failure of any swimmer to comply with the above rules will result in the swimmer being scratched from all events entered beyond the above rule at the discretion of the Meet Entry Director.

The Meet Entry Director reserves the right to limit entries to ensure that sessions fall within the Maryland Swimming LSC Rules. If the meet becomes oversubscribed, the meet will be reduced in the following manner:
